## From the President's Desk . . .

I hope everyone is getting into the summer mode and enjoying your time wherever you are. Kay and I left Benson on May 21<sup>st</sup> heading for the Northwest and some cooler weather. Our thermometer hit 99.9 in Benson on May 16<sup>th</sup>. The weather in Benson has been very enjoyable and we could take advantage of sitting out on our porch many evenings.

In April, Treasurer Ron, his wife Alice, Kay and I, drove over to Deming, NM to put in motion the setting up of the October rally (9-13 October) to be

held at the Dream Catcher RV Park. More details will follow in the next newsletter so look for them and plan to attend. Yes, we even went to The Pink Store in Palomas, Mexico, for lunch (OK a couple of Margaritas, too) and Yvonne will be awaiting the chapter members to welcome us to the annual dinner. She has done some nice remodeling and rearranging of the items on sale so everything looks real good.

I have been busy sending out letters to SKPs with

mailing addresses in our chapter's area. So far we have had a good response. As you meet our new members give them a good "Welcome to Chapter 21" hug!

Safe travels until next time. —Don

We extend our sympathy to Mary Ann Zeleski at the loss of her long-time partner, Dom Colucci. Dom was a recent past vice president of Chapter 21. We'll miss him!

## SUMMER ACTIVITIES

Are you having a great time this summer? I invite you to write a SHORT paragraph about your summer plans/activities to share with other Chapter 21 members. Depending on how many I receive, I'll include them either in a special electronic edition of "Saguaro Signs" or in our August/September newsletter, or both.

Send your notes to me at  
saguaro.signs@yahoo.com.

Dick and I came north from Benson, AZ, in April to settle into our "vacation" home in Byron, MN. We still plan to travel most of the time, but decided last fall that it would be a good time to invest in a townhome near two of our three sons. Right after July 4, we will head west to Bozeman, Montana, where we grew up. We'll be in that area for about a month. While we're there, our three sons and their families will join us in Yellowstone National Park to celebrate our 50th anniversary. It will be a great opportunity to share our love of the Rocky Mountains with our grandchildren, none of whom have seen that area. From there, we'll probably come back to Byron for a few weeks, then head to Deming for the Chapter 21 fall rally. Hopefully, we'll find time to do some fishing, sightseeing, and visiting friends and family along the way.

Marilyn Wix, "Saguaro Signs" Editor

Consider the above picture of The Pink Store as a red flag reminder of our Chapter 21 rally being planned for October 9-13 in Deming, NM, at the Dream Catcher SKP park.

Details will be published in the August/September issue of "Saguaro Signs" along with a registration form. Hope to see you there.

## A note from Susie & Denny Orr, Chapter Directors:

Hi Folks --- We enjoyed a much too short inland passage to Alaska cruise with some SKP friends. Now it is time to ramble and enjoy our summer travels. We hope you have plans to enjoy some chapter/c-bof rallies for fun, adventures and friendships.

Both the western WARE Rally and eastern SKP ACRE Rally were terrific for 2012! Look for more information for both of these events now being planned for Spring 2013.

Whether traveling east or west this summer --- rallies are just around the corner. Don't be shy, all groups welcome visitors and what better way to meet new friends than by going to a NEW for you chapter/c-bof rally along your travels.

We also are making plans for Escapade in Sedalia, MO Sept 16-21. Have you seen Bob & Mollie Pinner's articles in the Escapees Magazine or on Facebook? You can quickly register on the website, by phone 888-757-2582, or mail in the form found in your magazine.

Have you checked out the NEW Escapees website? It has a whole new look. Go to [www.escapees.com](http://www.escapees.com). Be sure to follow instructions for your NEW id/pass. **MySKP** is now active. Also info for MyMail including requesting mail, adding postage. Membership Directory now lists names by SKP #, the Member Handbook is now available on line, as well as Emergency Documents..... Check it out! Cruise thru **Benefits** to see the Magazine, Info to join the Mail Service, Parking, Events (that's the latest Rally Calendar), Groups (that's where to find chapter/c-bof/bof information, Escapade and more! **Resources** has areas of interest and the **Forum** is the place to research RV questions.

We wish you sunny skies, a happy heart, and memorable days ahead....See you along the way.

SKP Hugs Susie & Denny Orr

## WELCOME!

In response to Don's letters to SKPs with mailing addresses in Chapter 21's area, we have 22 new members since our last newsletter. WELCOME! And, thanks to all of you who have requested your newsletters via e-mail, thereby saving Chapter 21 the expense of mailing hard copies. We look forward to meeting all of you personally at some of our upcoming Chapter 21 events.
